

CERTIFICATE OF REGISTRATION

INFORMATION SECURITY MANAGEMENT SYSTEM – ISO/IEC 27001:2013

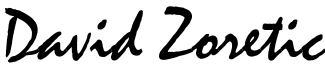

Lazarus Alliance, Inc. certifies that the following organization operated an Information Security Management System (ISMS) that conforms to the requirements of ISO/IEC 27001:2013 aligned with the scope and boundaries statement that follows:

Company	Address	State	Country
Continuum GRC, Inc.	27743 N. 70 th ST, Scottsdale, AZ 85266	Arizona	United States

SCOPE

The ISMS applies to all Continuum GRC employees, contractors, consultants, and temporary or other workers within Continuum GRC ITAM Cloud Services. The ISMS applies where Continuum GRC ITAM Cloud produces, supports, and offers services for customers or partners for production and non-production services or environments. These activities are governed by the implemented controls in accordance with the organizational Statement of Applicability, which further extends to the additional objectives defined within ISO/IEC 27017:2015, ISO/IEC 27018:2019 and ISO/IEC 27701:2019.

The departments applicable to the scope of the ISMS are limited to Governance, Risk and Compliance (GRC), Information Technology, Infrastructure Operations, Facilities, and Product Development.
